

# Delivering for Jordan

A snapshot of the projects and services that I'm proud to have delivered for our community

## Roads and Transport

- Brand new **Springfield Central Park n Ride** - 1,100 carparks across the Station Precinct
- Upgrade to the **Centenary Highway/ Logan Motorway interchange** congestion hotspot
- Expansion of **Exit 32 (Centenary Motorway)** - currently under construction
- Major changes to **bus services** in Gailles, Camira and Greater Springfield including a new bus service for Spring Mountain (533) & Greenbank / Flagstone (535)
- \$31 million provided for extensions to **New Beith Road and Teviot Road** through Flagstone and New Beith

## Health

- **New Public Hospital for Greater Springfield** - currently under construction
- **Maternal Health Clinic** in Greater Springfield
- **Child Health Clinic** in Flagstone

## Education

- **Air-conditioning and solar panels for every** Jordan State School
- New or upgraded **learning facilities** for **every** Jordan State School
- **Funding support** for our independent and catholic schools in Jordan
- **Three brand new primary schools** - Spring Mountain State School, Everleigh State School and Woogaroo Creek State School

## Employment and Training

- Developed **Greater Springfield Regional Connect** - supporting stronger connections with social service providers & govt across the region to tackle key issues
- Brand new \$4.4 million 'Health Experiential Centre' at **WesTec Trade Training Centre** in Springfield
- **Springfield Regional Jobs Committee** - supporting training & employment opportunities
- **Supporting local small business** - through grant opportunities and promotion including the 'Jordan Small Business Awards'

## Sport & Recreation

- **Brighton Homes Arena** (new home of the Brisbane Lions AFLW) with an \$18 million contribution by the Queensland Government
- **New Clubhouse for the Flagstone Tigers** Junior Rugby League team
- **New Field Lights** for Teviot Downs Soccer Club and Middle Green, Greenbank
